CHAIRMAN'S DESK

Dear Shareholders,

We started our journey 6 decades ago, to build an organisation with the goal of delivering excellence across all eye care specialties at affordable prices. I am extremely fortunate to work with a dedicated group of individuals who share my mission of making world-class eye care affordable to everyone.

For FY 2021-22, we registered INR 201.21 Crores as revenue from operations, with Profit Before tax at 32.31 Crores. Due to the impact of COVID delta variant wave, our performance was significantly impacted in Q1 FY22, and things rebounded in the later quarters of the year.

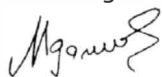

During the FY22, we added a branch in Kallakurichi, and the Company also intends to expand into southern Tamil Nadu and enter the Kerala region. In our continuous pursuit to serve public at large, the Company had established primary vision centres under the brand "20|20 Eyecare" – with a focus to take high-quality eye care to the population who lack access due to infrastructural and geographic limitations.

It is good to be back home, and we have taken steps this year towards that. We had moved out of our Cathedral Road centre few years back. This financial year, we started the process of establishing a new centre which would come with state-of-the-art infrastructure, and world-class eye care facilities being provided to the needy under a single roof. We are hoping to launch this building in FY2024, which would be a landmark not just in the history of Dr Agarwals, but a landmark eye-care destination in the world.

Finally, I would like to deeply thank all our stakeholders, including directors, doctors, investors, associates, vendors, customers and employees who have been with us for past many years and have supported our growth journey. We promise to keep bringing high quality eye care services in an accessible and affordable way to everyone in India.

Regards,

Dr Amar Agarwal

Annexure to the Notice

EXPLANATORY STATEMENT UNDER SECTION 102 OF THE COMPANIES ACT, 2013

Item No. 4- Ordinary Resolution

Ratification of Remuneration to Cost Auditor for the Year 2021-22

In terms of Section 148 of the Companies Act 2013 and the Rules made thereunder, the Company is required to maintain Cost Audit records and to have the same audited by a Cost Auditor. Based on the recommendation of the Audit Committee, the Board of Directors at its meeting held on 23rd July 2021, appointed M/s. BY & Associates, Cost Accountant in practice (Firm Registration No: 003498) as Cost Auditor, for conducting the Cost Audit for the year 2021-22 at a remuneration of Rs. 50,000/- (Rupees Fifty Thousand only) plus applicable taxes and reimbursement of out-of-pocket expenses at actuals.

Rule 14 of The Companies (Audit and Auditors) Rules, 2014, as amended, requires that the remuneration payable to the Cost Auditor be ratified by the members.

The Board recommends that the remuneration payable to the Cost Auditor in terms of the resolution set out at Item No.4 of the accompanying Notice be confirmed, approved and ratified by the Members.

None of the Directors or Key Managerial Personnel of the Company and their relatives are concerned or

interested, financially or otherwise, in the resolution except as a member of the company.

Item No. 5- Special Resolution

To appoint Mr. Balakrishnan Venkatraman (DIN:02825465) as Independent Director

Nomination and Remuneration Committee (NRC), and the Board of Directors at their meeting held on June 23, 2022, appointed Mr. Balakrishnan Venkatraman, as an additional director in the category of Independent Director, not liable to retire by rotation, for a period of five years from 23rd June 2022 to 22nd June 2027 subject to approval of the shareholders in terms of the provisions of Section 161 of the Companies Act, 2013 and rules made thereunder.

According to the provisions of Section 161(1) of the Companies Act, 2013 ('the Act'), Mr. Balakrishnan Venkatraman shall hold office as Additional Director up to the date of this Annual General Meeting and is eligible to be appointed as a Director. The Company has, in terms of Section 160(1) of the Act, received in writing a notice from Member, proposing his candidature for the office of Director. The profile and specific areas of expertise of Mr. Balakrishnan Venkatraman are provided as Annexure to this Notice. Mr. Balakrishnan Venkatraman has given his declaration to the Board that he meets the criteria of independence as provided under Section 149(6) of the Act and Regulation 16(1)(b) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'), and is not restrained from acting as a Director under any order passed by the Securities and Exchange Board of India or any such authority and is eligible to be appointed as a Director in terms of Section 164 of the Act. He has also given his consent to act as a Director. In the opinion of the Board, Mr. Balakrishnan Venkatraman is a person of integrity, possesses the relevant expertise/experience, and fulfills the conditions specified in the Act and the Listing Regulations for appointment as an Independent Director and he is independent of the management. In terms of Regulation 25(8) of Listing Regulations, Mr. Balakrishnan Venkatraman has confirmed that he

is not aware of any circumstance or situation that exists or may be reasonably anticipated that could impair or impact his ability to discharge his duties.

Given his experience, the Board considers it desirable and in the interest of the Company to have Mr. Balakrishnan Venkatraman on the Board of the Company and accordingly the Board recommends the appointment of Mr. Balakrishnan Venkatraman as an Independent Director as proposed in the Resolution no. 5 for approval by the Members as a special resolution.

Except for Mr. Balakrishnan Venkatraman and/or his relatives, no other Directors, Key Managerial Personnel, or their respective relatives are, in any way, concerned or interested, financially or otherwise, in the said resolution. Disclosures, as required under Regulation 36 of the Listing Regulations and Secretarial Standard-2 on General Meetings issued by the Institute of Company Secretaries of India, are annexed to this Notice.

The terms and condition of appointment of the Independent Directors are uploaded on the website of the Company <https://www.dragarwal.com/for-investors/>

The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 02/2022 dated May 05, 2022, 02/2021 dated January 13, 2021, MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No.20/2020 dated May 05, 2020.

THE INTRUCTIONS OF SHAREHOLDRES FOR E-VOTING AND JOINING VIRTUAL MEETINGS AREAS UNDER:

A) FOR REMOTE E-VOTING

- (i) The e-voting period would commence on September 10, 2022 (Saturday) 9:00 A.M. (IST) and conclude on September 13, 2022 (Tuesday) 5:00 P.M. (IST). During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 07th September 2022 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Members who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 09, 2020 and Regulation 44 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed

entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the members. In order to increase the efficiency of the voting process, pursuant to a public consultation, SEBI has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/ CIR/P/2020/242 dated December 09, 2020 on e-voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and e-mail ID in their demat accounts in order to access e-voting facility.

Pursuant to above said SEBI Circular, Login method for e-Voting and joining virtual meetings for Individual shareholders holding securities in Demat mode CDSL/NSDL is given below:

[Pursuant to Section 204 (1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To

The Members

DR. AGARWAL'S EYE HOSPITAL LIMITED

3rd Floor, Buhari Towers, No. 4 Moores Road Off Greams Road, Chennai – 600 006.

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by DR. AGARWAL'S EYE HOSPITAL LIMITED (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts / statutory compliances and expressing my opinion thereon.

Based on my verification of the books, papers, minute books, forms and returns filed and other records maintained by DR. AGARWAL'S EYE HOSPITAL LIMITED and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended March 31, 2022, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

1. I have examined the books, papers, minute books, forms and returns filed and other records, including the website of the Company, maintained by DR. AGARWAL'S EYE HOSPITAL LIMITED for the financial year ended March 31, 2022 according to the provisions of:

(i) Companies Act, 2013 ("the Act") and the rules made thereunder, as applicable;

(ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;

(iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;

(iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;

(v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):

(a) Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;

(b) Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;

(d) Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client; and

(e) Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018

2. Provisions of the following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') were not applicable to the Company during the audit period, since there were no issues during the year which required specific compliance under:

(a) Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;

(b) Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;

(c) Securities and Exchange Board of India (Buy-back of Securities) Regulations, 2018;

(d) Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021;

(e) Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021; and

(f) Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021;

3. I have examined compliance with the following other laws specifically applicable to the industry to which the Company is engaged in the business of:

(a) The Environment Protection Act, 1986;

(b) Bio-Medical Waste (Management & Handling) Rules, 1998;

(c) The Pharmacy Act, 1948; and

(d) Drugs and Cosmetic Rules, 1945.

I have relied on the representation made by the Company and its officers, relating to systems and mechanisms framed by the Company, for ensuring compliance with the other Applicable Acts specific to the Industry, Laws and Regulations as applicable to the Company.

I further report that the compliance by the Company of other applicable laws like direct and indirect tax laws have not been reviewed in this audit, since the same have been subject to review under statutory financial audit and other designated professional.

4. I have also examined compliance with the applicable clauses of the following:

(i) Secretarial Standards with respect to Board Meetings (SS-1) and General Meetings (SS-2) issued by The Institute of Company Secretaries of India, as approved by the Central Government and the amendments w.r.t the same.

(ii) The Listing Agreements entered into by the Company with BSE Limited under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review, the Company has

complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

5. I further report that:

(a) The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors, Independent Directors and Woman Director(s). There were change in the composition of the Board of Directors that took place during the period under review and accordingly the company has complied with the provisions of the Act pertaining to the same.

(b) Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent to them at least seven days in advance, and system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

(c) Decisions are carried through majority, while the dissenting members' views, if any, are captured and recorded as part of the minutes.

6. I further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

7. Based on the above examination, I hereby report that, during the aforesaid Review Period, the listed entity has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards mentioned above, except the following observation:

As per Regulation 31 (2) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the listed entity shall ensure that hundred percent of shareholding of promoter(s) and promoter group is in dematerialized form and the same is maintained on a continuous basis in the manner as specified by the Board. MANAGEMENT DISCUSSION AND ANALYSIS REPORT

COMPANY OVERVIEW

ABOUT DR. AGARWAL'S

Founded in 1957, and registered in 1994 as a Company, Dr Agarwal's Eye Hospital is a leading chain of eye hospitals with predominant presence in Tamil Nadu. Under the able leadership of Dr Amar Agarwal, the Company has been a pioneer and leader in the Indian Ophthalmology market with an established market position, healthy brand recall in the eye care segment.

It offers comprehensive services in the eye-care segment including Cataract, Glaucoma, Laser Correction, Cornea and Refractive, Retina, and Squint among others. It has presence in multiple locations in Tamil Nadu and Rajasthan.

ECONOMIC CONTEXT

Global Economy

Reeling from the wrath of SARS-CoV-2 in FY 2020, the global economy charted its own path to recovery even as the pandemic resurged across the world. The highly transmissible Delta variant weakened the recovery momentum – with global COVID-19 related death toll rising to more than 5 million across the world. Backed by mass vaccination drives in developed and developing nations, FY2022 showed an encouraging growth of ~5.5%, further driven by the buoyant demand, and strong consumer spending backed by strong uptake in investment across all divisions especially healthcare, health-tech, fin-tech, and consumer goods.

An UN official had commented that “the pandemic will continue to pose the greatest risk to an inclusive and sustainable recovery of the world economy”, with a report predicting that developing countries will take a greater long-term hit than the wealthier nations, and are projected to see significantly lower growth, compared to pre-pandemic projections, leading to more poverty and less progress on sustainable development and climate action.

Gita Gopinath, the first Deputy Managing Director

of the IMF (previously Chief Economist of IMF), had stated that, “Emerging and developing economies, faced with tighter financing conditions and a greater risk of de-anchoring inflation expectations, are withdrawing policy support more quickly despite larger shortfalls in output.”

Indian Economy

The repeated waves of COVID-19 had posed as an impediment in the growth trajectory/recovery of the Indian economy. The heavy pressure on the supply chain had pushed up the shipping costs, and commodity prices – intensifying inflationary pressure on the common man's purse.

However, the Indian economy showed resilience and fought back. The Reserve Bank of India stated that “Despite having witnessed one of the steepest contractions in gross domestic product (GDP) in Q1 FY21 and being hit by three successive waves, the Second Advance Estimates of National Income released on February 28, 2022 indicate that the economy has surpassed its pre-COVID level in 2021-22, on the back of unprecedented policy support from monetary and fiscal authorities.”

FY2022 was all about vaccination of the masses. As of April 2022, the percentage of total population administered with one dose was at 73.1 per cent and fully inoculated population at 62.2 per cent.

The impact of the second wave of COVID-19 was felt in the first quarter of FY22, with the level of GDP falling more than 8.0% below the pre-pandemic level. However, restricted lockdowns and growing resilience of the general public reduced the severity, with the economic impact of the Wave 2 estimated to be about 1/3rd of the Wave 1. Despite the Wave 2, the turnaround in the economy in FY22 has been remarkable with all the components of aggregate demand surpassing the pre-pandemic levels in H2 FY22. The Reserve Bank of India (RBI), central and state governments have provided critical support in terms of monetary policy, medical and financial support to the citizens of India, especially to the lower strata of the society.

HEALTHCARE INDUSTRY

We have time and often said this, and we shall repeat it again - one aspect of human welfare that

transcends everything including economic well-being and geographic location, is the health of the individual.

For this reason, healthcare has been existing since the beginning of time and will exist, in some manner or the other, for a long time after what we can imagine would be the end of everything. A normal human accesses healthcare only in times of sickness or injury or both. But the future doesn't look the same. People are moving from cure to prevention. Healthcare is moving from treatment to well-being. The emphasis is now on preventing illness, identifying health risks earlier, adopting healthier lifestyle rather than cure, treatment, and recovery.

Given all of that, the concentration of the investments into healthcare and health-tech companies has been unprecedented. The amount of money that has flown into research & development has seen no boundaries. Just like the last 18-24 months, healthcare would remain the focus areas of all monetary and public policies announced, and part of national debates for a considerable future.

SWOT ANALYSIS

Strengths

- a) Being a pioneer in ophthalmology space with best track record of clinical outcomes, the Company is best placed to grow its patient base and related financial outcomes
- b) The Company is guided by a very strong promoter team with right blend of clinical and managerial expertise
- c) The Company has shown a strong post-COVID recovery with an ascending pattern of profit generation

Weaknesses

- a) Dependence on scarcely available medical professionals: As per statistics published by the All India Ophthalmological Society, its membership stands at around 24,000 ophthalmologists, which highlights the shortage and high burden among the doctors to tackle the

patient population in India, which is among the primary restraining factors to this market

- b) Heavy clustering of the branches in select regions, increases the dependency on the economic, social and political well-being of that region

Opportunities

- a) The Company has got tremendous learning from the positives and significant challenges encountered by peers, against which it is de-risking itself
- b) The company employs an experienced team of Doctors aided by sophisticated technology thus providing advanced eye-care services
- c) The policy push in healthcare industry by the governments and individuals, especially after COVID, will act as a springboard for better opportunities
- d) Given all of the above, the Company is looking for a strong period ahead in the ophthalmological industry, and in the healthcare industry as a whole.

Threats

- a) The multiple waves of COVID-19 in India has impacted the general health of people, businesses and the economy as a whole. And as we were recovering from them, the silent Wave 4 brought back fear.
- b) Geographically concentrated operations with modest growth in scale amidst stiff competition

INTERNAL CONTROLS AND SYSTEMS AND THEIR ADEQUACY

The company has an adequate system of internal controls in place which has been designed to provide a reasonable assurance with regard to maintaining of proper accounting controls, monitoring of operations, protecting assets from unauthorized use or losses, compliance with regulations and for ensuring reliability of financial reporting.

KEY PERFORMANCE INDICATORS AND METRICS

Financial Performance

The previous financial year had its own ups and downs. After the impact of Wave 3 in Q1 FY22, the Company had shown strong recovery of business by ending the year with a revenue of ₹ 201.21 Crore (FY22), a 43.92% increase from ₹139.80 Crore (FY21).

Given the recovery, and concentrated efforts on cost control, the Company had recorded a EBITDA of ₹ 58.94 Crore (FY22), an 89% increase from ₹ 31.18 Crore (FY21). This was primarily due to impact during Q1 wherein the company had a hit on EBITDA, with strong EBITDA recorded in Q2, Q3 & Q4 to end the year on a positive note

Operational Performance

The total number of outpatients (New + Review) had a robust growth of ~34% y-o-y, and reaching the pre-COVID levels. The revenue mix has remained similar for the past 3 years. Amongst them all, the cataract and refractive volumes have shown y-o-y growth, surpassing the pre-COVID levels.

During the FY22, your company added a branch in Kallakurichi. Further, the Company is planning to establish a new centre in southern Tamil Nadu, and enter the Kerala region by the end of the FY23.

Further, on our mission to reach patients across all areas – rural and urban, the Company had envisaged on the path of establishing primary vision centres under the brand of “20|20 Eyecare”

The aim of launching these centres is to reach the more patient base, and serve the society who are devoid of quality eye care due to lack of availability of facilities due to location and infrastructure restrictions.

In FY22, your company had launched 3 centres across the core markets as pilot projects – Gowriwakkam (Kanchipuram District), Ambur (Tirupattur District), and Valliyur (Tirunelveli District). The aim was to reach untapped markets, and move the flow of patients to the hub hospitals to address the ophthalmic issues faced by them. Post the strong response received at these centres, the Company has now embarked on opening 7-10 such centres across existing markets in FY23.

Human Resource

Given the dynamic market scenario especially regarding hiring, and retaining talent in the post-COVID scenario, the role of human resources team has become utmost critical for the organisation. During the year, the relations continued to be cordial, conducive and mutually productive. Human resources are used efficiently to achieve success, stability and growth of the Company. The details regarding developments in Human Resources is dealt in the “Particulars of Employees” forming part of the of the Directors' Report. The total employees as at the year-end were 827.

RISKS AND MITIGATIONS

a) Impact of second-wave and third wave of COVID: The second and third wave of COVID infection had impacted the general health of people, businesses and the economy as a whole. With the discovery of new variants, and opening up of the markets, and businesses, we had almost encountered a silent fourth wave.

Risk Mitigation: The Company is consistently monitoring the welfare of its employees, the operational and financial performance during such period(s), and has put in force appropriate and proactive initiatives to reduce the risk impact.

In addition to the above, the concentrated push by the Central and State Governments has been well-adopted by your Company. Being front-line workers, strong and concentrated efforts was taken to vaccinate all the employees for their own safe-keep.

b) Competition intensity and new entrants to the market: Many competitors attempt capturing market by offering similar

treatment through use of primitive technology. This can significantly impact Companies bottomline

Risk Mitigation: The Company believes that in the long run, quality is the sole consideration and has never compromised on its ability in conducting high end, state of art technology.

C) Pace of obsolescence of technology and treatment methods: Eye Care segment uses a number of equipments in its business, which needs to be constantly tested and monitored for technology obsolescence.

Risk Mitigation: Company utilises a dedicated Research & Development function, which develops near term and incremental improvements, as well as step change improvements to existing products and processes, resulting in minimal obsolescence.

d) Materials risk: Non availability of good quality materials could impact on time delivery of service to clients.

Risk Mitigation: The Company procures its materials directly from manufacturers on a sustained basis on account of large volumes and timely payments.

e) Labour shortage and attrition of key staff including medical professionals: Non availability of key / skilled Doctors could negate the quality and quantitative performance of the business.

Risk Mitigation: The Company has been continuously recruiting / training Doctors and building its capabilities.

f) Increased compliance and regulatory challenges: The evolution of the global regulatory environment has resulted into increased regulatory scrutiny that has raised the minimum standards to be maintained. This signifies the alignment of corporate performance objectives, while ensuring compliance with regulatory requirements.

Risk Mitigation: Company recognises that regulatory requirements can at times be challenging, and therefore, will strive to understand the changing regulatory standards, so as to strengthen its

decision making process and integrate these in the business strategy in which it operates.

INDEPENDENT AUDITOR'S REPORT

To The Members of Dr. Agarwal's Eye Hospital Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **Dr. Agarwal's Eye Hospital Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2022, and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters:

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. We have determined that there are no key audit matters to communicate in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussions and Analysis Report, Board Report, Corporate Governance Report but does not include the financial statements and our auditor's report thereon.

- Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon
- In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting

records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies ; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material

misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(l) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in

the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company

so far as it appears from our examination of those books.

c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account.

d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.

e) On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164(2) of the Act.

f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended,

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations on its financial position as stated in Note 34 to the financial statements.

ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

iv. (a) The Management has represented that, to the best of its knowledge and belief, as disclosed in the notes to the accounts, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities.

(b) The Management has represented, that, to the best of its knowledge and belief, as disclosed in the notes to the accounts, no funds (which are material either individually or in the aggregate) have been received by the Company from any person(s) or entity(ies), including foreign entities.

(c) Based on the audit procedures that has been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the

representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

v. As stated in Note 17.3 to the financial statements, the Board of Directors of the Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of dividend declared is in accordance with section 123 of the Act to the extent it applies to declaration of dividend.

2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Dr. Agarwal's Eye Hospital Limited** ("the Company") as of March 31, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered

Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance

with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and

according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

(I) In respect of property, plant and equipment and intangible assets:

(a) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment, Capital work-in-progress, and relevant details of right-of-use assets.

The Company has maintained proper records showing full particulars of intangible assets.

(b) The property, plant and equipment, capital work-in-progress and right of use assets were physically verified during the year by the Management in accordance with a regular programme of verification which, in our opinion, provides for physical verification at reasonable intervals. According to the information and explanation given to us, no material discrepancies were noticed on such verification.

(c) The Company does not have any immovable properties, which are reported under Property, Plant and Equipment and hence reporting under clause (i)(c) of the CARO 2020 is not applicable.

In respect of immovable properties of land and building that have been taken on lease and disclosed as Right of use assets as at the Balance sheet date, the lease agreements are duly executed in favour of the Company

(d) The Company has not revalued any of its property, plant and equipment (including right of use assets) and intangible assets during the year.

(e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2022 for holding any benami property under the Benami Transactions

(Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.

(ii) (a) As explained to us, the inventories were physically verified during the year by the Management at reasonable intervals. In our opinion and according to the information and explanations given to us, the coverage and procedure of such verification by the Management is appropriate having regard to the size of the Company and the nature of its operations. No discrepancies of 10% or more in the aggregate for each class of inventories were noticed on such physical verification of inventories when compared with books of account.

(b) According to the information and explanations given to us, the Company has been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate, at points of time during the year, from banks on the basis of security of current assets. In our opinion and according to the information and explanations given to us, the quarterly returns or statements comprising (stock statements and other stipulated financial information) filed by the Company with such banks are in agreement with the unaudited books of account of the Company of the respective quarters.

(iii) The Company has not made any investments in, provided any guarantee or security, and granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties during the year, and hence reporting under clause (iii) of the Order is not applicable.

(iv) In our opinion and according to the information and explanations given to us, the Company has not granted any loans, made investments or provided guarantees/security to any other entity during the year and hence, reporting under clause (iv) of the CARO 2020 is not applicable.

(v) According to the information and explanations given to us, the Company has

not accepted any deposits or amounts which are deemed to be deposits during the year. Hence, reporting under clause (v) of the Order is not applicable.

(vi) In our opinion and according to the information and explanations given to us, the company has maintained the cost records which has been specified by the Central Government under section 148(1) of the Companies Act, 2013. We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended and prescribed by the Central Government under sub-section (1) of Section 148 of the Companies Act, 2013, and are of the opinion that, prima facie, the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.

(vii) According to the information and explanations given to us, in respect of statutory dues:

(a) Undisputed statutory dues, including Goods and Service tax, Income-tax, duty of Custom, Professional Tax, cess and other material statutory dues applicable to the Company have generally been regularly deposited by it with the appropriate authorities though there has been a delay in respect of remittance of dues towards Provident fund and Employee's State Insurance.

(b) There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Employees' State Insurance, Income-tax, duty of Custom, Professional Tax, cess and other material statutory dues in arrears as at March 31, 2022 for a period of more than six months from the date they became payable.

(c) There are no statutory dues referred in sub-clause (a) above which have not been deposited on account of disputes as on March 31, 2022.

(viii) In our opinion and according to the information and explanations given to us, there were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961) during the year.

(ix) (a) In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of loans or borrowings or in the payment of interest thereon to any lender during the year.

(b) In our opinion and according to the information and explanations given to us, the Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.

(c) To the best of our knowledge and belief, in our opinion, term loans availed by the Company were, applied by the Company during the year for the purposes for which the loans were obtained, other than temporary deployment pending application

(d) In our opinion and according to the information and explanations given to us, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.

(e) The Company did not have any subsidiary or associate or joint venture during the year and hence, reporting under clause (ix)(e) of the Order is not applicable.

(f) The Company did not have any subsidiary or associate or joint venture during the year and hence reporting on clause (ix)(f) of the Order is not applicable

(x) (a) In our opinion and according to the information and explanations given to us, the Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause (x)(a) of the Order is not applicable.

- (b) In our opinion and according to the information and explanations given to us, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) during the year and hence reporting under clause (x)(b) of the Order is not applicable to the Company.
- (xi) (a) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) To the best of our knowledge and according to the information and explanations given to us, no report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
- (c) As represented by the Management, there were no whistle blower complaints received by the Company during the year and up to the date of this report.
- (xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the CARO 2020 Order is not applicable.
- (xiii) In our opinion and according to the information and explanations given to us, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards.
- (xiv) (a) In our opinion and according to the information and explanations given to us, the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports issued to the Company during the year and covering the period up to 31 March, 2022 under audit, in determining the nature, timings and extent of our audit procedures.
- (xv) In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable.
- (xvi) (a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause (xvi)(a), (b) and (c) of the Order is not applicable.
- (b) In our opinion and according to the information and explanations given to us, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause (xvi)(d) of the Order is not applicable.
- (xvii) In our opinion and according to the information and explanations given to us, the Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors of the Company during the year.
- (xix) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due

within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- (xx) In our opinion and according to the information and explanations given to us, The Company has fully spent the required amount towards Corporate Social Responsibility (CSR) and there are no unspent CSR amount for the year requiring a transfer to a Fund specified in Schedule VII to the Companies Act or special account in compliance with the provision of sub-section (6) of section 135 of the said Act. Accordingly, reporting under clause (xx) of the Order is not applicable for the year.

- (xxi) The Company does not have any subsidiary or associate or joint venture during the year and hence, is not required to prepare consolidated financial statements. Accordingly, clause (xxi) of the Order is not applicable.

Notes forming part of the Financial Statements for the Year Ended 31 March 2022

1 Corporate Information

Dr. Agarwal's Eye Hospital Limited ('the Company') was incorporated on 22 April 1994 and is primarily engaged in providing eye care and related services. As at 31 March 2022, the Company is operating in 26 locations and has one central store. Dr. Agarwal's Health Care Limited is the holding Company as at 31, March 2022.

2 Application of new and revised Ind AS

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 23, 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, vide Notification No. G.S.R 255(E), as below.

(i) Ind AS 16 – Property Plant and equipment

The amendment clarifies that, excess of net sale proceeds of items produced over the cost of testing, if any, shall not be recognised in the profit or loss but deducted from the directly attributable costs considered as part of cost of an item of property, plant, and equipment. The amendment is effective for the annual periods beginning on or after April 1, 2022. However, the company is in the nature of rendering services and hence the above amendment does not have any impact in the financials.

(ii) Ind AS 37 – Provisions, Contingent Liabilities and Contingent Assets

The cost of fulfilling a contract comprises the costs that relate directly to the contract. Costs that relate directly to a contract consist of both-

(a) the incremental costs of fulfilling that contract—for example, direct labour and materials; and

(b) an allocation of other costs that relate directly to fulfilling contracts—for example, an allocation of the depreciation charge for an item of property, plant and equipment used in fulfilling that contract among others

The amendment is effective for the annual period commencing on or after 01 April 2022 and early adoption is also permitted. The same will be reviewed by the company in next year.

3 Significant Accounting Policies

3.1 Statement of Compliance

The Financial Statements have been prepared in accordance with Indian Accounting Standards notified under the Companies (Indian Accounting Standards) Rules, 2015 and the relevant amendment rules issued thereafter.

Except for the changes below, the company has consistently applied accounting policies to all periods:

(i) On March 24, 2021, the Ministry of Corporate Affairs ("MCA") through a notification, amended Schedule III of the Companies Act, 2013. The amendments revise Division I, II and III of Schedule III and are applicable from April 1, 2021. Key amendments relating to Division II which related to companies whose financial statements are required to comply with Companies (Indian Accounting Standards) Rules 2015 are:

Balance Sheet:

- Lease liabilities should be separately disclosed under the head "financial liabilities", duly distinguished as current or non-current.

Notes forming part of the Financial Statements for the Year Ended 31 March 2022

- Certain additional disclosures in the statement of changes in equity such as changes in equity share capital due to prior period errors and restated balances at the beginning of the current reporting period.
- Specified format for disclosure of shareholding of promoters
- Specified format for ageing schedule of trade receivables, trade payables, capital work-in-progress and intangible asset under development.
- If a company has not used funds for the specific purpose for which it was borrowed from banks and financial institutions, then disclosure of details of where it has been used.
- Specific disclosure under 'additional regulatory requirement' such as compliance with approved schemes of arrangements, compliance with number of layers of companies, title deeds of immovable property not held in the name of company, loans and advances to promoters, directors, key managerial personnel (KMP) and related parties, details of benami property held etc.

Statement of Profit & Loss:

- Additional disclosures relating to Corporate Social Responsibility (CSR), undisclosed income and crypto or virtual currency specified under the head 'additional information' in the notes forming part of the standalone financial statements.

The amendments are extensive and the Company has evaluated the same to give effect to them as required by law.

(ii) The Indian Parliament has approved the Code on Social Security, 2020 which may impact the employee benefit expenses of the Company. The effective date from which the changes are applicable is yet to be notified and the rules for quantifying the financial impact are yet to be determined. The Company will give appropriate impact in the financial results once the code becomes effective and related rules to determine the financial impact are notified."

3.2 Basis of Preparation and Presentation of Financial Statements

These financial statements have been prepared on the historical cost basis, except for certain financial instruments which are measured at fair values at the end of each reporting period, as explained in accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for

Notes forming part of the Financial Statements for the Year Ended 31 March 2022

the asset or liability, either directly or indirectly; and

- Level 3 inputs are unobservable inputs for the asset or liability.

3.3 Use of Estimates

The preparation of the financial statements requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) as of the date of the financial statements and the reported income and expenses during the reporting period. Examples of such estimates include provision for doubtful debts/advances, provision for employee benefits, useful lives of fixed assets, lease term, provision for contingencies etc. Management believes that the estimates used in the preparation of the financial statements are prudent and reasonable. Future results may vary from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized prospectively in the year in which the estimate is revised and/or in future years, as applicable.

3.4 Cash and Cash Equivalents (for the purpose of Cash Flow Statement)

Cash comprises cash on hand, cheques and demand drafts on hand, balances with banks in current accounts / demand deposits. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value. Bank balances other than the balance included in cash and cash equivalents represents balance on account of unpaid dividend and margin money deposit with banks.

3.5 Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

3.6 Functional and Presentation Currency

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the Company operates (i.e. the "functional currency"). The financial statements are presented in Indian Rupees (Rs.), the national currency of India, which is the functional currency of the Company. All the financial information have been presented in Indian Rupees except for share data and as otherwise stated.

3.7 Operating Cycle

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

3.8 Property, Plant & Equipment

Property, Plant and Equipment are stated at cost less accumulated depreciation and accumulated impairment loss (if any). The cost of Property, Plant and Equipment comprises its purchase price net of any trade discounts and rebates and includes taxes, duties, freight, incidental expenses related to the acquisition and installation of the assets concerned and is net of Goods and Service Tax (GST), wherever the credit is availed. Borrowing costs paid during the period of construction in respect of borrowed funds pertaining to construction / acquisition of qualifying property, plant and equipment is adjusted to the carrying cost of the underlying property, plant and equipment.

Notes forming part of the Financial Statements for the Year Ended 31 March 2022

Any part or components of property, plant and equipment which are separately identifiable and expected to have a useful life which is different from that of the main assets are capitalized separately, based on the technical assessment of the Management.

Advances paid towards the acquisition of Property, Plant and Equipment outstanding at each balance sheet date are disclosed as "Capital Advances" under Other Non Current Assets and cost of Property, Plant and Equipment not ready to use before such date are disclosed under "Capital Work-in-Progress".

Depreciation

Depreciable amount for assets is the cost of an asset less its estimated residual value.

Depreciation on tangible property, plant and equipment has been provided on the written down value method as per the useful life prescribed in Schedule II to the Companies Act, 2013.

Category	Useful life
Leasehold Improvements	Over lease term
Medical Equipments	13-15 years
Office Equipments	5 years
Vehicles	8-10 years
Computers	3-6 years
Electrical Fittings	10 years
Furniture and Fixtures	8-10 years
Lab Equipments	10 years
Kitchen Equipments	8 years

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the Statement of Profit and Loss.

3.9 Intangible Assets

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses (if any). Software is amortised on a straight line basis over the license period, three years or five years, whichever is lower. Other intangibles are amortised based on the estimated useful life as determined. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses.

An Intangible asset is derecognised on disposal or when no future economic benefits are expected from use of disposal. Gains or losses arising from derecognition of an intangible assets measured as the difference between the net disposal proceeds and the carrying amount of the asset as recognised in profit or loss when the asset is derecognised.

3.10 Impairment of Tangible and Intangible Assets

At the end of each reporting period, the Company reviews the carrying amounts of its tangible and

Notes forming part of the Financial Statements for the Year Ended 31 March 2022

intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. Where a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the Statement of Profit and Loss, unless the relevant asset is carried at a revalued amount, in which case the impairment loss is treated as a revaluation decrease.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash generating unit) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

3.11 Inventories

Inventory of Traded Goods comprising Opticals, Pharmaceutical Products, Contact Lenses and Accessories, Consumables and Provisions - Food Items are valued at lower of cost ascertained using the First-in-First-out method and net realisable value. Cost includes cost of purchase, freight, taxes, duties and other charges incurred for bringing the goods to the present location and condition and are net of GST credit, where applicable.

Net realisable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale. Due allowance is estimated and made for unusable/ non-saleable/ expired items of inventory wherever necessary, based on the past experience of the Company and such allowances are adjusted against the inventory carrying value.3.12Revenue Recognition

3.12 Revenue recognition

(I) Revenue from Operations

Revenue is measured at the fair value of the consideration received or receivable. Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration we expect to receive in exchange for those products or services. Sales and Service Income exclude Goods and Service Tax (GST) and are net of trade / volume discounts, where applicable.

Sale of products comprising Sale of Optical Frames and Lens, Pharmaceutical Products, Contact Lens and related accessories and food items is recognised on delivery of items to the customers and when control on goods is passed on to the customers.

Notes forming part of the Financial Statements for the Year Ended 31 March 2022

Sale of services comprising Income from Consultation, Surgeries, Treatments and Investigations performed are recognised when performance obligation is satisfied at a point in time, on rendering the related services.

Other Operating Income comprises medical support services provided by the Company and is recognised on rendering the related services.

(ii) Other Income

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition. Dividend Income is accounted for when right to receive it is established.

(iii) Cross Charges

The Company and Dr Agarwal's' Health care Limited (DAHCL) its Holding company, incur expenses such as salaries, software development and depreciation on common assets etc on behalf of the group company and share the common resources for the group functions. Such expenses, which are incurred for the group, are identified, and cross-charged between the companies.

3.13 Foreign Currency Transactions

Initial Recognition:

On initial recognition, all foreign currency transactions are recorded by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Subsequent Recognition:

As at the reporting date, non monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

Treatment of Exchange Differences:

All monetary assets and liabilities in foreign currency are restated at the end of accounting period at the closing exchange rate and exchange differences on restatement of all monetary items are recognised in the Statement of Profit and Loss.

3.14 Employee Benefits

Retirement benefit costs and termination benefits:

I) Defined Benefit Plans:

Employee defined benefit plans include gratuity.

Payments to defined contribution retirement benefit plans are recognised as an expense when employees have rendered service entitling them to the contributions.

For defined benefit retirement benefit plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss. Past service cost is

Notes forming part of the Financial Statements for the Year Ended 31 March 2022

recognised in the Statement of profit or loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset.

Defined benefit costs are categorised as follows:

Service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);

The Company presents the first two components of defined benefit costs in profit or loss in the line item 'Employee benefits expense'. Curtailment gains and losses are accounted for as past service costs.

The retirement benefit obligation recognised in the balance sheet represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.

A liability for a termination benefit is recognised at the earlier of when the entity can no longer withdraw the offer of the termination benefit and when the entity recognises any related restructuring costs.

The Company makes contribution to a scheme administered by the insurer to discharge gratuity liabilities to the employees.

Short-term and other long-term employee benefits

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave and sick leave in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.

Liabilities recognised in respect of short term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

Liabilities recognised in respect of other long term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employees up to the reporting date.

ii) Defined Contribution Plans

Employee defined contribution plans include Provident Fund and Employee State Insurance.

Provident Fund and Employee State Insurance:

All employees of the Company receive benefits from Provident Fund and Employee's State Insurance, which are defined contribution plans. Both, the employee and the Company make monthly contributions to the plan, each equalling to a specified percentage of employee's basic salary. The Company has no further obligations under the plan beyond its monthly contributions. The Company contributes to the Employee Provident Fund and Employee's State Insurance scheme maintained by the Central Government of India and the contribution thereof is charged to the Statement of Profit and Loss in the year in which the services are rendered by the employees.

3.15 Borrowing Costs

Borrowing costs include interest, amortisation of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset up

Notes forming part of the Financial Statements for the Year Ended 31 March 2022

to the date of capitalisation of such asset are added to the cost of the assets. Capitalisation of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

3.16 Government Grants, Subsidies and Export Incentives

Government grants and subsidies are recognised when there is reasonable assurance that the Company will comply with the conditions attached to them and the grants / subsidies will be received. Government grants whose primary condition is that the Company should purchase, construct or otherwise acquire capital assets are presented by deducting them from the carrying value of the assets. The grant is recognised as income over the life of a depreciable asset by way of a reduced depreciation charge.

Export benefits, if any, are accounted for in the year of exports based on eligibility and when there is no uncertainty in receiving the same.

Government grants in the nature of promoters' contribution like investment subsidy, where no repayment is ordinarily expected in respect thereof, are accounted in Reserves and Surplus in Other Equity. Government grants in the form of non-monetary assets, given at a concessional rate, are recorded on the basis of their acquisition cost. In case the non-monetary asset is given free of cost, the grant is recorded at a nominal value.

Other government grants and subsidies are recognised as income over the periods necessary to match them with the costs for which they are intended to compensate, on a systematic basis.

3.17 Segment Reporting

Operating segments reflect the Company's management structure and the way the financial information is regularly reviewed by the Company's Chief operating decision maker (CODM). The CODM considers the business from both business and product perspective based on the dominant source, nature of risks and returns and the internal organisation and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit / (loss) amounts are evaluated regularly by the executive Management in deciding how to allocate resources and in assessing performance.

The accounting policies adopted for segment reporting are in line with the accounting policies of the Company. Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship to the operating activities of the segment.

Inter-segment revenue, where applicable, is accounted on the basis of transactions which are primarily determined based on market / fair value factors.

Revenue, expenses, assets and liabilities which relate to the Company as a whole and are not allocable to segments on reasonable basis have been included under "unallocated revenue / expenses / assets / liabilities".

3.18 Leases

The Company's lease asset classes consists of leases for buildings. The Company, at the inception of a contract, assesses whether the contract is a lease or not lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a time in exchange for a consideration.

Notes forming part of the Financial Statements for the Year Ended 31 March 2022

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received. The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the end of the lease term.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the Company's incremental borrowing rate. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if the Company changes its assessment of whether it will exercise a purchase, extension or termination option. When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

The Company has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less and leases of low-value assets. The Company recognises the lease payments associated with these leases as an expense over the lease term.

The Company has applied the practical expedient prospectively to all eligible rent concessions and has not restated prior period figures. The practical expedient of Ind AS 116 permits a lessee to elect not to assess whether a COVID-19-related rent concession is a lease modification. A lessee that makes this election shall account for any change in lease payments resulting from the COVID-19-related rent concession the same way it would account for the change applying Ind AS 116 if the change were not a lease modification.

3.19 Earnings Per Share

Basic earnings per share is computed using the weighted average number of equity shares outstanding during the period.

Diluted EPS is computed by dividing the net profit after tax by the weighted average number of equity shares considered for deriving basic EPS and also weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease earnings per share from continuing operations. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits / reverse share splits and bonus shares, as appropriate.

3.20 Taxes on Income

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current tax expense for the year is ascertained on the basis of assessable profits computed in accordance with the provisions of the Income-tax Act, 1961.

Minimum Alternate Tax (MAT) paid as current tax expense in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as tax credit and recognised as deferred tax asset when there is reasonable certainty that the

Notes forming part of the Financial Statements for the Year Ended 31 March 2022

Company will pay normal income tax in the future years and future economic benefit associated with it will flow to the Company. The carrying amount is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Financial Statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

3.21 Provisions, Contingent Liabilities and Contingent Assets

A provision is recognised when the Company has a present obligation (legal or constructive) as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions are determined based on the best estimate required to settle the obligation at the balance sheet date and measured using the present value of cash flows estimated to settle the present obligations (when the effect of time value of money is material). These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Contingent liability is disclosed for (i) Possible obligations which will be confirmed only by future events not wholly within the control of the Company or (ii) Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made. The Company does not recognize a contingent liability but discloses its existence in the Financial Statements. Contingent assets are only disclosed when it is probable that the economic benefits will flow to the entity.

3.22 Insurance claims

Insurance claims are accounted for on the basis of claims admitted / expected to be admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect ultimate collection.

3.23 Financial Instruments

Initial Recognition

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit

Notes forming part of the Financial Statements for the Year Ended 31 March 2022

or loss (FVTPL)) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability. The transaction costs directly attributable to the acquisition of financial assets and financial liabilities at fair value through profit and loss are immediately recognised in the statement of profit and loss.

3.23.1 Financial Assets

(a) Recognition and initial measurement

(i) The Company initially recognises loans and advances, deposits and subordinated liabilities on the date on which they originate. All other financial instruments (including regular way purchases and sales of financial assets) are recognised on the trade date, which is the date on which the Company becomes a party to the contractual provisions of the instrument. A financial asset or liability is initially measured at fair value plus, for an item not at FVTPL, transaction costs that are directly attributable to its acquisition or issue.

(b) Classification of financial assets

On initial recognition, a financial asset is classified to be measured at amortised cost, fair value through other comprehensive income (FVTOCI) or FVTPL.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated at FVTPL:

- The asset is held within a business model whose objective is to hold assets to collect contractual cash flows;

The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

For the impairment policy in financial assets measured at amortised cost, refer Note 3.23.1(e)

A debt instrument is classified as FVTOCI only if it meets both of the following conditions and is not recognized at FVTPL:

- The asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets;
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

All other financial assets are subsequently measured at fair value.

(C) Effective interest method

The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees/amounts paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or where appropriate, a shorter period, to the gross carrying amount on initial recognition.

Income is recognised on an effective interest basis for debt instruments other than those financial assets classified as at FVTPL. Interest income is recognised in profit or loss and is included in the "Other Income" line item.

(d) Financial assets at fair value through profit or loss (FVTPL)

Debt instruments that do not meet the amortised cost criteria or FVTOCI criteria (see above) are measured at FVTPL. In addition, debt instruments that meet the amortised cost criteria or the FVTOCI criteria but are designated as at FVTPL are measured at FVTPL.

Notes forming part of the Financial Statements for the Year Ended 31 March 2022

A financial asset that meets the amortised cost criteria or debt instruments that meet the FVTOCI criteria may be designated as at FVTPL upon initial recognition if such designation eliminates or significantly reduces a measurement or recognition inconsistency that would arise from measuring assets or liabilities or recognising the gains and losses on them on different bases. The Company has not designated any debt instrument as at FVTPL.

Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on remeasurement recognised in profit or loss. The net gain or loss recognised in profit or loss incorporates any dividend or interest earned on the financial asset and is included in the 'Other income' line item. Dividend on financial assets at FVTPL is recognised when the Company's right to receive the dividends is established, it is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably.

(e) Impairment of financial assets

The Company applies the expected credit loss model for recognising impairment loss on financial assets measured at amortised cost, debt instruments at FVTOCI, trade receivables and other contractual rights to receive cash or other financial asset.

Expected credit losses are the weighted average of credit losses with the respective risks of default occurring as the weights. Credit loss is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive (i.e. all cash shortfalls), discounted at the original effective interest rate (or credit-adjusted effective interest rate for purchased or originated credit-impaired financial assets). The Company estimates cash flows by considering all contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) through the expected life of that financial instrument.

The Company measures the loss allowance for a financial instrument at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. If the credit risk on a financial instrument has not increased significantly since initial recognition, the Company measures the loss allowance for that financial instrument at an amount equal to 12-month expected credit losses. 12-month expected credit losses are portion of the life-time expected credit losses and represent the lifetime cash shortfalls that will result if default occurs within the 12 months after the reporting date and thus, are not cash shortfalls that are predicted over the next 12 months.

For trade receivables, the Company always measures the loss allowance at an amount equal to lifetime expected credit losses. Further, for the purpose of measuring lifetime expected credit loss allowance for trade receivables, the Company has used a practical expedient as permitted under Ind AS 109. This expected credit loss allowance is computed based on a provision matrix which takes into account historical credit loss experience and adjusted for forward-looking information.

(f) Derecognition of financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

Notes forming part of the Financial Statements for the Year Ended 31 March 2022

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset.

On derecognition of a financial asset other than in its entirety (e.g. when the Company retains an option to repurchase part of a transferred asset), the Company allocates the previous carrying amount of the financial asset between the part it continues to recognise under continuing involvement, and the part it no longer recognises on the basis of the relative fair values of those parts on the date of the transfer. The difference between the carrying amount allocated to the part that is no longer recognised and the sum of the consideration received for the part no longer recognised and any cumulative gain or loss allocated to it that had been recognised in other comprehensive income is recognised in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset. A cumulative gain or loss that had been recognised in other comprehensive income is allocated between the part that continues to be recognised and the part that is no longer recognised on the basis of the relative fair values of those parts.

(g) Foreign exchange gains and losses:

The fair value of financial assets denominated in a foreign currency is determined in that foreign currency and translated at the spot rate at the end of each reporting period.

- For foreign currency denominated financial assets measured at amortised cost and FVTPL, the exchange differences are recognised in profit or loss.
- Changes in carrying amount of investments in equity instruments at FVTOCI relating to changes in foreign currency rates are recognised in other comprehensive income.
- For the purposes of recognising foreign exchange gains or losses, FVTOCI debt instruments are treated as financial assets measured at amortised cost. Thus, the exchange differences on the amortised cost are recognised in the Statement of Profit and Loss and other changes in the fair value of FVTOCI financial assets are recognised in other comprehensive income.

3.23.2 Financial Liabilities and equity instruments

(a) Classification as debt or equity

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

(b) Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs. Repurchase of the Company's own equity instruments is recognised and deducted directly in equity. No gain or loss is recognised in profit or loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

(c) Financial Liabilities at FVTPL:

Financial liabilities are classified as at FVTPL when the financial liability is either held for trading or it is designated as at FVTPL.

A financial liability is classified as held for trading if:

- it has been incurred principally for the purpose of repurchasing it in the near term; or
- on initial recognition it is part of a portfolio of identified financial instruments that the Company

Notes forming part of the Financial Statements for the Year Ended 31 March 2022

manages together and has a recent actual pattern of short-term profit-taking;

A financial liability other than a financial liability held for trading may be designated as at FVTPL upon initial recognition if:

- such designation eliminates or significantly reduces a measurement or recognition inconsistency that would otherwise arise; or
- the financial liability forms part of a Company of financial assets or financial liabilities or both, which is managed and its performance is evaluated on a fair value basis, in accordance with the Company's documented risk management or investment strategy, and information about the Company is provided internally on that basis;

(d) Financial liabilities subsequently measured at amortised cost:

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method. Interest expense that is not capitalised as part of costs of an asset is included in the 'finance costs' line item. The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees/amounts paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

(e) Foreign exchange gains and losses:

For financial liabilities that are denominated in a foreign currency and measured at amortised cost at the end of each reporting period, the foreign exchange gains and losses are determined based on amortised cost of the instruments and are recognised in the Statement of Profit and Loss.

The fair value of the financial liabilities denominated in a foreign currency is determined in that foreign currency and translated at the spot rate at the end of the reporting period. For financial liabilities that are measured at FVTPL, the foreign exchange component forms part of the fair value gains or losses recognised in the Statement of profit and Loss.

(f) Derecognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or they expire. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in the Statement of Profit and Loss.

3.24 Goods & Service Tax Input Credit

Goods & Service Tax Input Credit is accounted for in the books during the period in which the underlying service received is accounted and where there is no uncertainty in availing/utilizing the same.

3.25 Business Combinations

Acquisitions of businesses are accounted for using the acquisition method. The consideration transferred in a business combination is measured at fair value, which is calculated as the sum of the acquisition-date fair values of the assets transferred by the Company, liabilities incurred by the Company to the former owners of the acquiree and the equity interests issued by the Company in exchange of control of the acquiree. Acquisition-related costs are generally recognized in profit or loss as incurred.

Notes forming part of the Financial Statements for the Year Ended 31 March 2022

At the acquisition date, the identifiable assets acquired and the liabilities assumed are recognized at their fair values, except that:

- (i) deferred tax assets or liabilities, and assets or liabilities related to employee benefit arrangements are recognized and measured in accordance with Ind AS 12 Income Taxes and Ind AS 19 Employee Benefits respectively; and
- (ii) assets (or disposal groups) that are classified as held for sale in accordance with Ind AS 105 Non-current Assets Held for Sale and Discontinued Operations are measured in accordance with that Standard.

4 Critical Accounting Judgements and Key Sources of Estimation Uncertainty

The preparation of Financial Statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses and the accompanying disclosures. Uncertainty about the assumptions and estimates could result in outcomes that require a material adjustment to the carrying value of assets or liabilities affected in future periods. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.

In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements are included in the following notes:

- (i) Useful lives of Property, plant and equipment (Refer Note 3.8)
- (ii) Assets and obligations relating to employee benefits (Refer Note 3.14)
- (iii) Valuation and measurement of income taxes and deferred taxes (Refer Note 3.20)
- (iv) Provisions for disputed statutory and other matters (Refer Note 3.21)
- (v) Allowances for expected credit losses (Refer Note 3.23.1(e))
- (vi) Fair value of Financial Assets and Liabilities (Refer Note 3.23.1 and 3.23.2)

Particulars of Cash Generating Unit	As at 31 March 2022	As at 31 March 2021
Kallakurichi	111.19	-
Total	111.19	-

Particulars of business combinations accounted by the Company are as follows:

(Amount Rs. in Lakhs)

Year	Particulars	Consideration	Value of assets acquired (net of liabilities)	Goodwill accounted on business combination
2021 - 22	Hospital at Kallakurichi	200	181.98	18.02

Note:

The recoverable amount of all the goodwill is determined based on a value in use calculation which uses cash flow projections based on financial budgets approved by the board covering a five-year period, further during the period ended March 31, 2022 at a discount rate of 15.2 % per annum . The cash flows beyond that five-year period have been extrapolated using a steady 2% per annum as at March 31, 2022 growth rate which is the projected long term average growth rate for the Healthcare industry. The directors believe that any reasonably possible change in the key assumptions on which recoverable amount is based would not cause the aggregate carrying amount to exceed the aggregate recoverable amount of the cash-generating unit.

13.1 Credit period and risk

Significant portion of the Company's business is against receipt of advance. Credit is provided mainly to Insurance Companies, Corporate customers, customers with insurance coverage and customers covered by Government accorded health benefits. The Insurance Companies are required to maintain minimum reserve levels and pre-approve the insurance claim, Government undertakings and the Corporate Customers are enterprises with high credit ratings. Accordingly, the Company's exposure to credit risk in relation to trade receivables is low.

Notes forming part of the Financial Statements for the Year Ended 31 March 2022

Trade receivables are non-interest bearing and are generally on terms of up to 30 days. Of the Trade Receivable as at March 31, 2022, Rs. 882.50 lakhs (As at 31 March 2021: Rs. 730.04 lakhs) are due from five of the Company's customers i.e. having more than 5% of the total outstanding trade receivable balance. There are no other customers who represent more than 5% of the total balance of trade receivables. No trade receivable are due from directors or other officers of the Company either severally or jointly with any other person. Nor any trade receivable are due from firms or private companies respectively in which any director is a partner, a director or a member.

13.2 Expected credit loss allowance

The Company has used a practical expedient by computing the expected loss allowance for trade receivables based on provision matrix. The provision matrix takes into account the historical credit loss experience and adjustments for forward looking information. The expected credit loss allowance is based on the ageing of the days the receivables are due and the rates as given in the provision matrix, considering the amounts due from the government undertakings and the other undertakings.

The provision matrix at the end of the reporting period (31 March 2022) is as follows:

Particulars	Expected Credit Loss (%)
Less than 90 days past due	1% to 10%
91-180 days past due	18% to 39%
181-270 days past due	24% to 34%
271-360 days past due	22% to 58%
361-450 days past due	38% to 100%
451-540 days past due	44% to 100%
541-630 days past due	59% to 100%

35.3 Defined benefit plans

The Company operates a gratuity plan covering qualifying employees. The benefit payable is calculated as per the Payment of Gratuity Act, 1972 and the benefit vests upon completion of five years of continuous service and once vested it is payable to employees on retirement or on termination of employment. In case of death while in service, the gratuity is payable irrespective of vesting. The Company makes annual contribution to the group gratuity scheme administered by the Life Insurance Corporation of India.

In respect of the plan, the most recent actuarial valuation of the plan assets and the present value of the defined benefit obligation were carried out as at 31 March 2022 by Kapadia Actuaries & Consultants, Fellow of the Institute of Actuaries of India. The present value of the defined benefit obligation, and the related current service cost and paid service cost, were measured using the projected unit cost credit method.

- Life Insurance Corporation of India	228.16	194.76

- (i) The plan assets comprise insurer managed funds. None of the assets carry a quoted market price in active market or represent the entity's own transferable financial instruments or property occupied by the entity.

Notes forming part of the Financial Statements for the Year Ended 31 March 2022

(f) The Actual return on plan asset for the year ended 31 March 2022 was Rs. 9.46 lakhs (For the year ended - 31 March 2021: Rs. 7.22 lakhs).

(g) Actuarial assumptions

Investment Risk:

The present value of defined benefit plan liability is calculated using a discount rate which is determined by reference to the prevailing market yields of Indian government securities as at the balance sheet date for the estimated term of the obligations.

Interest Risk:

A decrease in the yield of Indian government securities will increase the plan liability.

Longevity Risk

The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Salary Risk:

The present value of the defined benefit plan liability is calculated by reference to the future salaries. In particular, there is a risk for the Company that any adverse salary growth can result in an increase in cost of providing these benefits to employees in future.

The principal assumptions used for the purpose of actuarial valuation were as follows :

(Amount Rs. in Lakhs)

Particulars	As at 31 March 2021	As at 31 March 2020
Discount rate	6.10%	5.20%
Expected rate of salary increase	8.00%	6.00%
Expected return on plan assets	6.10%	5.55%
Expected Attrition rate based on Past Service (PS) (% p.a)	22%	28%
Mortality	Indian Assured Lives (2012-2014)	Indian Assured Lives (2012-2014)

1. The discount rate is based on the prevailing market yields of Indian Government securities as at balance sheet date for the estimated term of the obligation.
2. The estimates of future salary increases considered takes into account the inflation, seniority, promotion and other relevant factors.
3. In order to protect the capital and optimize returns within acceptable risk parameters, the plan assets are maintained with an insurer managed fund (maintained by the Life Insurance Corporation ("LIC")) and is well diversified.

Sensitivity Analysis

The benefit obligation results of a such a scheme are particularly sensitive to discount rate, longevity risk, salary growth and employee attrition, if the plan provision do provide for such increases on commencement of pension.

The following table summarizes the impact in financial terms on the reported defined benefit obligation at the end of the reporting period arising on account changes in these four key parameters:

Notes forming part of the Financial Statements for the Year Ended 31 March 2022

(Amount Rs. in Lakhs)

Impact on the Defined benefit Obligation	As at 31 March 2022	As at 31 March 2021
(i) Discount Rate		
Increase by 100 bps	642.38	507.41
Decrease by 100 bps	689.60	536.30
(ii) Mortality Rate		
Increase by 10%	0.02	0.02
(iii) Salary growth rate		
Increase by 100 bps	685.62	534.54
Decrease by 100 bps	645.38	508.90
(v) Attrition rate		
Increase by 100 bps	664.49	521.11
Decrease by 100 bps	665.59	521.69

These sensitivities have been calculated to show the movement in defined benefit obligation in isolation and assuming there are no other changes in market conditions at the accounting date. The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligations as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore in presenting the above sensitivity analysis the present value of defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period which is the same as that applied in calculating the defined benefit obligation liability recognised in the balance sheet.

There is no change in the methods and assumptions used in preparing the sensitivity analysis from the prior years.

(h) Asset Liability Matching Strategies

The Company has purchased insurance policy, which is basically a year-on-year cash accumulation plan in which the interest rate is declared on yearly basis and is guaranteed for a period of one year. The insurance Company, as part of the policy rules, makes payment of all gratuity liability occurring during the year (subject to sufficiency of funds under the policy). The policy, thus, mitigates the liquidity risk. However, being a cash accumulation plan, the duration of assets is shorter compared to the duration of liabilities. Thus, the Company is exposed to movement in interest rate (in particular, the significant fall in interest rates, which should result in a increase in liability without corresponding increase in the asset).

(I) Effect of Plan on Entity's Future Cash Flows

(a) Funding Arrangements and Funding Policy

The Company has purchased an insurance policy to provide for payment of gratuity to the employees. Every year, the insurance Company carries out a funding valuation based on the latest employee data provided by the Company. Any deficit in the assets arising as a result of such valuation is funded by the Company.

Notes forming part of the Financial Statements for the Year Ended 31 March 2022

(b) The Company expects to make a contribution of INR 84.56 lakhs during the next financial year.

C) The weighted average duration of the benefit obligation as at 31 March 2022 is 3.86 years (as at 31 March 2021 is 3.10 years)

(d) Maturity profile of defined benefit obligation:

Expected cash flows over the next (valued on undiscounted basis):	Amount in Rs. Lakhs

37. SEGMENT REPORTING

The Company is engaged in providing eye care and related services provided from its hospitals which are located in India. Based on the "management approach" as defined in Ind-AS 108 - Operating Segments, the Chief Operating Decision Maker (CODM) evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by the overall business segment, i.e. Eye care related sales and services.

As the allocation of resources and profitability of the business is evaluated by the CODM on an overall basis, with evaluation into individual categories to understand the reasons for variations, no separate segments have been identified. Accordingly no additional disclosure has been made for the segmental revenue, segmental results and the segmental assets & liabilities.

38. LEASES

The Company had adopted Ind AS 116 'Leases' with the date of initial application being 1 April 2019. Ind AS 116 replaces Ind AS 17 – Leases and related interpretation and guidance. The Company had applied Ind AS 116

Notes forming part of the Financial Statements for the Year Ended 31 March 2022

using the modified retrospective approach for the year ended March 2020, wherein the cumulative impact of initial application was recognised as an adjustment to the opening retained earnings at 1 April 2019 and as a result, the comparative information was not been restated. In adopting Ind AS 116, the Company had applied the below practical expedients:

- (i) The Company had applied a single discount rate to a portfolio of leases with reasonably similar characteristics.
- (ii) The Company had treated the leases with remaining lease term of less than 12 months as if they were "short term leases". (Refer Note 31(e)).
- (iii) The Company had not applied the requirements of Ind AS 116 for leases of low value assets.
- (iv) The Company had excluded the initial direct costs from measurement of the right-of-use asset at the date of transition.
- (v) The Company had used hindsight, in determining the lease term if the contract contains options to extend or terminate the lease.

On transition to Ind AS 116 for the year ended 31 March 2020, the Company had recognised right-of-use assets amounting to Rs 4,260.65 lakhs and lease liabilities amounting to Rs. 4,629.52 lakhs and debited to retained earnings amounting to Rs. 210.17 lakhs as at 1 April 2019. The Company had discounted lease payments using the applicable incremental borrowing rate as at 1 April 2019, which is 9.75% for measuring the lease liability for the above year ended.

A. The Company has taken buildings on leases having remaining lease terms of 1 year to 10 years, with the option to extend the term of leases. Refer Note 6 for carrying amount of right-to-use assets at the end of the reporting period by class of underlying asset.

During the year ended 31st March 2021, the company has availed COVID related rent concessions and the impact for the same has been adjusted in the carrying amount of the Right-to-use asset to reflect lease modifications.

	4,799.70	4,378.79	4,799.70	4,378.79
(b) Financial Liabilities :				
Measured at amortised cost				
- Borrowings	3,193.55	2,162.81	3,193.55	2,162.81
- Trade Payables	2,566.49	1,782.52	2,566.49	1,782.52
- Lease Liabilities	16,152.25	4,591.83	16,152.25	4,591.83
- Other financial liabilities	756.83	1,149.82	756.83	1,149.82
	22,669.12	9,686.98	22,669.12	9,686.98

The management assessed that fair value of cash and cash equivalents, trade receivables, loans, borrowings, trade payables and other current financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair value/amortized cost

1) Long-term fixed-rate receivables/borrowings are evaluated by the Company based on parameters such as interest rates, specific country risk factors, individual losses and creditworthiness of the receivables

2) The fair value of unquoted instruments, loans from banks and other financial liabilities, as well as other non-current financial liabilities are estimated by discounting future cash flows using rates currently available for debt on similar terms, credit risk and remaining maturities. In addition to being sensitive to a reasonably possible change in the forecast cash flows or discount rate, the fair value of the unquoted instruments is also sensitive to a reasonably possible change in the growth rates. The valuation requires management to use unobservable inputs in the model, of which the significant unobservable inputs are disclosed in the tables below. Management regularly assesses a range of reasonably possible alternatives for those significant unobservable inputs and determines their impact on the total fair value.

3) Fair values of the Company's interest-bearing borrowings and loans are determined by using DCF method using discount rate that reflects the issuer's borrowing rate as at the end of the reporting period. The own non-performance risk as at 31 March 2022 was assessed to be insignificant.

Notes forming part of the Financial Statements for the Year Ended 31 March 2022

Fair Value Hierarchy

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3: Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs). There were no items of financial assets or financial liabilities which were valued at fair value as of 31 March 2022 and 31 March 2021.

40.3 Financial Risk Management Framework

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Company manages financial risk relating to the operations through internal risk reports which analyse exposure by degree and magnitude of risk.

The Company's activities expose it to a variety of financial risks: liquidity risk, credit risk and market risk (including interest rate risk and other price risk). The Company's primary risk management focus is to minimize potential adverse effects of market risk on its financial performance. The Company's risk management assessment and policies and processes are established to identify and analyze the risks faced by the Company, to set appropriate risk limits and controls, and to monitor risks and compliance with the same. Risk assessment and management policies and processes are reviewed regularly to reflect changes in market conditions and the Company's activities. The Board of Directors and the Audit Committee is responsible for overseeing the Company's risk assessment and management policies and processes.

(a) Liquidity Risk Management :

Liquidity risk refers to the risk that the Company cannot meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risk to the Company's reputation. The Company maintains adequate reserves and banking facilities, and continuously monitors the forecast and actual cash flows by matching maturing profiles of financial assets and financial liabilities in accordance with the approved risk management policy of the Company periodically. The Company believes that the working capital (including banking limits not utilised) and its cash and cash equivalent are sufficient to meet its short and medium term requirements.

Liquidity and Interest Risk Tables :

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The tables include both interest and principal cash flows. To the extent that interest flows are floating rate, the undiscounted amount is derived from interest rate curves at the end of the reporting period. The contractual maturity is based on the earliest date on which the Company may be required to pay.

(b) Credit Risk:

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations. Credit risk encompasses of both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration of risks. Financial instruments that are subject to concentrations of credit risk principally consist of trade receivables, cash and cash equivalents, bank deposits and other financial assets. None of the other financial instruments of the Company result in material concentration of credit risk. Credit risk is controlled by analysing credit limits and creditworthiness of customers on a continuous basis to whom the credit has been granted after obtaining necessary approvals for credit.

The carrying amount of the financial assets recorded in these financial statements, grossed up for any allowance for losses, represents the maximum exposures to credit risk. Trade receivables: The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer, including the default risk of the industry and credit history, also has an influence on credit risk assessment.

Refer Note 13 and Note 24 for the details in respect of revenue and receivable from top customers. Credit risk

Notes forming part of the Financial Statements for the Year Ended 31 March 2022

on current investments, cash & cash equivalent and derivatives is limited as the Company generally transacts with banks and financial institutions with high credit ratings assigned by international and domestic credit rating agencies. Investments primarily include investment in fixed deposits.

(c) Market Risk

Market risk is the risk of loss of any future earnings, in realizable fair values or in future cash flows that may result from adverse changes in market rates and prices (such as interest rates and foreign currency exchange rates) or in the price of market risk sensitive instruments as a result of such adverse changes in market rates and prices. Market risk is attributable to all market risk-sensitive financial instruments, all foreign currency receivables and payables and all short-term and long-term debt. The Company is exposed to market risk primarily related to foreign exchange rate risk and interest rate risk and the market value of its investments. Thus, the Company's exposure to market risk is a function of investing and borrowing activities and revenue generating and operating activities in foreign currencies.

(c.1) Interest rate risk:

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's debt obligations with floating interest rates. The Company's management monitors the interest fluctuations, if any, and accordingly, take necessary steps to mitigate any interest rate risk.
